### Google Meet Lessons

During Google Meet live lessons with your teachers, it is really important that you stick to these rules:

1. An adult is available for the duration of the session.
2. You are in either your dining room, living room or kitchen and not your bedroom.
3. You must be dressed and ready – not in pyjamas.
4. Please remember that the video conference is part of school. You must be respectful to staff and other pupils. School rules still apply!
5. You must mute yourself at the start of the lesson and only unmute yourself when you are asked a question directly by the teacher.
6. The chat facility must only be used for the purpose of the lesson, either to ask or answer a question from the teacher. It should not be used for general chatter.
7. Do not record or take pictures of your teacher or classmates during your online session.
8. Stay safe online.
