

English:

In English, we will be continuing some pieces of writing on the Horrible Histories book, Vicious Vikings. After that, we will be basing our writing on a novel called the Wolf Wilder by Katherine Rundell. We will be writing in lots of different styles and for lots of different purposes.

Religious Education:

In RE, we will be studying Judaism.

Our overarching question this year will be about finding out where people can go for guidance about how to live their lives.

Maths:

In Maths this term, we will be following the White Rose scheme of learning, looking at time, decimals and area and perimeter. This is also the last full term to get those tables cracked so please work on them if you don't know them fluently.

Science:

In science this term, we will be learning about reversible and irreversible changes.

PE:

Our PE days are Mondays and Wednesdays this half term.

Our areas covered this term will be:
Outdoor and Adventurous Activities
Striking and Fielding (Rounders)

Beech Newsletter—Summer Term 1

Vicious Vikings

Computing:

In computing over the term, we will be using design software for our 3D printer.

French:

In French we will be covering the unit 'out of this world'.

Homework:

If your child does not yet know their times tables up to 12 x 12, please encourage them to practice every day. Little and often will do the world of good.

Also, there will be some Diagnostic Maths questions set each week on the computer.

Please ensure that your child reads as close to daily as possible and that their reading journal is signed by an adult.

This term, spellings will be set on Spelling Shed. All passwords for online resources are in the front or back of reading records.

Uniform Reminders:

Shoulder length hair must be tied back.
No jewellery including earrings.
No nail varnish.
No shaved or patterned hairstyles or hair gel.
Sensible hair accessories – no big bows.
Wear your own clothes on your birthday!

Topic:

This half term, we will be looking at the Vikings who came just after the Anglo-Saxons. We will be learning lots of the history of Vikings, producing some wonderful artwork, using the 3D printer and learning how to reinforce structures in DT. If you have anything that can help our topic, please bring it in!
