

In English we will be continuing revising all aspects of spelling, punctuation and grammar in addition to writing biographies, working with play scripts and a variety of mini writing opportunities based around emotive music videos. We will be reading another class novel whilst also learning our lines for our end of year performance – The Land of Dahl. All of these elements will ensure that the children are best prepared as they can be for Year 7 English.

In RE we will be studying Buddhism.

In Maths we will be focusing on all areas of arithmetic, fractions, geometry, coordinates, interpreting data and other areas of measure that haven't been taught as of yet, such as area, perimeter and volume.

Oak Class Newsletter

Summer Term 1

Lights, Camera Action!

Homework: Oak class are expected to do at least 10 mins reading every weekday (minimum of 3 per week). They have weekly spellings from the year 5 & 6 spelling list (this can be found inside their home reading diary, although they are displayed in the classroom too so that the children know which spellings to learn). Finally, children must complete one hour on IXL per week prioritising the subjects I have starred within IXL. Logins are in their reading diaries.

They also have one written piece of homework (given on Fridays) that must be completed weekly (back in on Wednesday) and returned in their homework folder.

In Science we will be focusing on healthy lifestyles, diet, circulation and exercise. Electronic art in computing and art. Baghdad 900AD in history.

PSHE will consist of wellbeing and growing up.

Of course, not forgetting the Year 6 production too! This year will be a completely original story – The Land of Dahl. Children will be expected to learn lines, dance routines and generally have a great time!
